**Thanet OFTO Intermediate Limited
Strategic Report**

The Directors, in preparing this strategic report, have complied with s414C of the Companies Act 2006.

Strategic Review

Thanet OFTO Intermediate Limited (the Company) was incorporated in August 2010. It sold its entire ordinary share capital to Thanet OFTO Holdco Limited. The Company's principal activity is an investment company, investing in Thanet OFTO Limited by means of secured subordinated loan stock.

Review of the Business

The Company principal activity is the provision of loan stock to Thanet OFTO Limited.

The results for the year are set out on page 8. The profit for the year after taxation amounted to £nil (2018 : £nil). This was in line with the Directors' expectations for the period.

Loan stock refers to the secured investment in Thanet OFTO Limited. The subordinated loan stock has been subscribed by the Company. The loan stock bears interest at a rate of 8.50% plus the higher of 1% and the change in RPIx and is repayable in instalments between 2015 and 2034. It is secured by second fixed and floating charges over the undertaking, property, assets and rights of the Company.

The net assets position as at 31 March 2019 was £nil (2018 : £nil).

The Directors expect the Company to continue its operations for the foreseeable future.

Principal risks and uncertainties

The Directors do not believe that the Company is exposed to any significant Financial Risk. The Company's principal activity is as an investment company. The Company's asset is a loan to a PFI entity and the Directors believe that Thanet OFTO Limited will have sufficient cash flows to repay the interest and principal on the Company's investment. In turn Thanet OFTO Limited derives income from NGET. This is deemed as low risk as it is a quasi governmental organisation.

Brexit

The Directors have considered the potential consequences to the Company of the United Kingdom leaving the European Union and, as at the date of signing this report, do not anticipate that this will have a significant impact on the Company. This is primarily because the Company's contractual agreements, including those which cover its financing, are unlikely to be affected.

Future Developments

There has been no indication of any significant future developments in the business.

This report was approved by the board on 29 July 2019 and signed by its order.

John Sinclair
Director

Thanet OFTO Intermediate Limited**Registered number:** 07343544**Directors' Report**

The Directors present their Annual Report together with the audited financial statements for the year ended 31 March 2019.

The following information has been disclosed in the Strategic Report:

- Principal activities and business review
- Indication of likely future developments in the business
- Principal risks and uncertainties.

Returns and dividends

The audited financial statements for the year ended 31 March 2019 are set out on pages 8 to 15. The Company's profit for the year after tax amounted to £nil (2018 : £nil). The Company has no distributable reserves and therefore the Directors do not propose to pay a dividend in respect of the year ended 31 March 2019 (2018 : £nil). The Directors expect the Company to continue its operations for the foreseeable future.

Going concern

The assessment of going concern is linked to that of the Thanet Group, as its ability is dependent upon the financial performance of Thanet OFTO Limited.

The Thanet Group has substantial financial resources to cover its obligations to NGET, having arranged senior debt facilities and subordinated debt funding having been received from its shareholders at the start of the contract.

Accordingly, after making enquiries with the Thanet Group, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future.

Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Further details regarding the adoption of the going concern basis can be found in note 1 of the statement of accounting policies in the financial statements.

Share Capital

The issued share capital of the Company at 31 March 2019 was £1 (2018 : £1) consisting of 1 (2018 : 1) ordinary share of £1.

Directors

The Directors serving throughout the year and subsequently (unless otherwise indicated) were:

Rebecca Collins
Brian Roland Walker
John Sinclair
Nathan John Wakefield

No Director had any interest in the issued share capital of the Company or other Group Companies at 31 March 2019.

Thanet OFTO Intermediate Limited

Registered number: 07343544

Directors' Report

Directors' indemnities

The Company has made qualifying third party indemnity provisions for the benefit of its Directors which remain in force at the date of this report.

Company Information

Thanet OFTO Intermediate Limited is incorporated in Great Britain, registered in England and Wales and domiciled in the United Kingdom .

Company Secretary and Registered Office

The Company Secretary is Saiema Ibrahim - appointed 26/09/2018 . The registered address is 350 Euston Road, Regent's Place, London NW1 3AX.

Provision of Information to the Auditor

Each of the persons who is a Director at the date of approval of this report confirms that:

- (i) so far as the Director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- (ii) the Director has taken all the steps that he ought to have taken as a Director in order to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

This report was approved by the board on 29 July 2019 and signed by its order.

John Sinclair
Director

Thanet OFTO Intermediate Limited
Registered number: 07343544
Director's Responsibilities Statement

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 Reduced Disclosure Framework.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Under applicable law and regulations, the directors are also responsible for preparing a Strategic Report and Directors' Report that complies with that law and those regulations.

**Independent auditor's report
to the members of Thanet OFTO Intermediate Limited**

Opinion

We have audited the financial statements of Thanet OFTO Intermediate Limited ("the company") for the year ended 31 March 2019 which comprise the Income statement, the Statement of Financial Position, the Statement of Changes in Equity, and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2019 and of its result for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion

Going Concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the company or to cease its operations, and as they have concluded that the company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the financial statements. In our evaluation of the directors' conclusions, we considered the inherent risks to the company's business model, including the impact of Brexit, and analysed how those risks might affect the company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the company will continue in operation.

Strategic report and Directors' report

The directors are responsible for the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the strategic report and the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

**Independent auditor's report
to the members of Thanet OFTO Intermediate Limited**

Directors' responsibilities

As explained more fully in their statement set out on page 5, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**Thanet OFTO Intermediate Limited
Notes to the Financial Statements
for the year ended 31 March 2019**

1 Accounting policies

Thanet OFTO Intermediate Limited (the "Company") is a company incorporated in Great Britain, registered in England and Wales and domiciled in the United Kingdom. The registered number is 07343544 and the registered address is 6th Floor, 350 Euston Road, London, NW1 3AX.

a) Basis of preparation

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The Company's parent undertaking, Thanet OFTO Holdco Limited includes the Company in its consolidated financial statements. The consolidated financial statements of Thanet OFTO Holdco Limited are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from the address in note 11.

In these financial statements, the company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- a Cash Flow Statement and related notes;
- Comparative period reconciliations for share capital;
- Disclosures in respect of transactions with wholly owned subsidiaries ;
- Disclosures in respect of capital management; and
- The effects of new but not yet effective IFRSs.

As the consolidated financial statements of Thanet OFTO Holdco Limited include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- Certain disclosures required by IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures.

The Company proposes to continue to adopt the reduced disclosure framework of FRS 101 in its next financial statements.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

The financial statements are prepared on the historical cost basis.

b) Change in accounting policy

The Company has adopted the following IFRSs in these financial statements:

- IFRS 9: Financial Instruments (refer to Note 13)
- IFRS 15: Revenue from Contracts with Customers (refer to Note 13)

This is the first set of the Company's financial statements in which IFRS 9 and IFRS 15 have been applied. Changes to significant accounting policies are described in Note 13.

Thanet OFTO Intermediate Limited
Notes to the Financial Statements (continued)
for the year ended 31 March 2019

1 Accounting policies (continued)

c) Going Concern

The Company's business activities, together with the factors likely to affect its future development and position, are set out in the Directors' Report and Strategic Report on pages 2 to 4.

After making enquiries, the Directors have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Company to continue as a going concern or its ability to continue with the current financial arrangements.

Despite the Company recording a £nil profit in the year, the Company's projections show that the Company expects to be able to continue to operate for the foreseeable future.

With respect to Brexit, the Directors have considered the potential consequences to the Company of the United Kingdom leaving the European Union and, as at the date of signing this report, do not anticipate that this will have a significant impact on the Company or its ability to continue as a going concern.

d) Senior secured debt

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

e) Finance costs

Finance costs are expensed during the operational phase of the contract. The finance costs on the debt are recognised at a constant rate in accordance with the value of the debt.

2 Critical accounting judgements and key sources of estimation uncertainty

The preparation of the Financial Statements requires management to make accounting judgements, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities and the reported amount of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Assumptions and estimates are reviewed on a on-going basis and any revisions to them are recognised in the period the revision occurs.

The Directors have considered the Profit and Loss Account, the Balance Sheet and the Company's accounting policies and do not consider there to be any critical accounting judgements or key sources of estimate uncertainty.

Thanet OFTO Intermediate Limited
Notes to the Financial Statements (continued)
for the year ended 31 March 2019

3 Auditor's remuneration and remuneration of Directors and employees

Fees payable to KPMG LLP and their associates for the audit of the Company's annual accounts were £516 (2018 : £516) and were borne by Thanet OFTO Limited.

The Directors are employees of the shareholders and received no material remuneration for their services towards the management of the Company in the current or prior year. Directors' fees of £nil (2018 : £nil) were paid by the Company. The Company had no employees in the current or preceding year. All costs of the Directors and other staff are borne by the shareholders who second their employees to Thanet OFTO Limited.

4 Financial income and expenses	2019	2018
	£'000s	£'000s

Sub debt balance as 31 March 2019	4,125	16,500	20,625
Accrued interest	268	1,070	1,338
Interest charge for year	(524)	(2,094)	(2,618)

Thanet OFTO Intermediate Limited
Notes to the Financial Statements (continued)
for the year ended 31 March 2019

12 Related party transactions - continued

Borrowings from shareholders were negotiated on normal commercial terms and are repayable in accordance with the terms of the secured 8.50% loan notes 2034 (“the notes”). Repayments of interest were made during the year. Absent any non-compulsory repayment of the notes, the notes are contractually repayable on 30 September 2034.

Balfour Beatty OFTO Holdings Limited (BBOHL) & Equitix Infrastructure 3 Limited (Equitix) were both a related party of the Company during the year ended 31 March 2019 by virtue of being a shareholder.

13 Change in significant accounting policies

IFRS 9 Financial Instruments

The Company has adopted IFRS 9 with a date of initial application of 1 April 2018. The requirements of IFRS 9 represent a significant change from IAS 39 Financial Instruments: Recognition and Measurement.

Transition

The Company has assessed that comparative periods do not require restatement as described below.

- An assessment has been performed of the differences in the carrying amounts of financial assets and financial liabilities resulting from the adoption of IFRS 9 and this assessment concluded that there was an immaterial difference.
- Impact to classification of financial instrument: IFRS 9 contains three principal classification categories for financial assets: measured at amortised cost, Fair value through other comprehensive income (“FVOCI”) and Fair value through profit and loss (“FVTPL”). The classification of financial assets under IFRS 9 is generally based on the business model in which a financial asset is managed and its contractual cash flow characteristics. IFRS 9 eliminates the previous IAS 39 categories of held to maturity, loans and receivables and available for sale.

IFRS 9 largely retains the existing requirements in IAS 39 for the classification and measurement of financial liabilities.

The following table and the accompanying notes below explain the original measurement categories under IAS 39 and the new measurement categories under IFRS 9 for each class of the Company’s financial assets and financial liabilities as at 1 April 2018.

Financial Assets	Original Classification	New Classification	Original carrying amount £'000s	New carrying amount under IFRS 9 £'000s
Trade and other receivables	Loans and receivables	Amortised costs	23,013	23,013

IFRS 15: Revenue from Contracts with Customers

The Company has adopted IFRS 15 with a date of initial application of 1 April 2018.

The Company has not recognised any revenue in the Statement of Comprehensive Income in the current year or prior period.
